TRAINING BULLETIN

Course Title: *Intermediate Incident Command System for Expanding Incidents, ICS 300*

Date: November 18-20, 2024 (Monday – Wednesday)

Time: Monday and Tuesday 8am-5pm, Wednesday 8am-Noon

Location: VCSO Academy Classroom 3, The Oaks Mall, 350 W. Hillcrest Drive, Thousand Oaks, CA

Cost: Free

Prerequisites: The required prerequisites for this course are:

- IS-0100.c An Introduction to the Incident Command System, ICS 100
- IS-0200.c Basic Incident Command System for Initial Response, ICS 200
- IS-0700.b An Introduction to the National Incident Management System
- IS-0800: National Response Framework (NRF)

Other recommended (not required) courses:

- E/L/G 0191 E.O.C. / Incident Command System Interface
- E/L/G 0400 Advanced ICS for Complex Incidents, ICS 400

Course Objectives:

The goal of this professional development course, ICS 300 Intermediate Incident Command System for Expanding Incidents, is to provide training on and resources for overall incident management skills for personnel who require intermediate application of the Incident Command System (ICS).

By the end of this course, students will be able to demonstrate through activities and a final exam, the duties, responsibilities, and capabilities of an effective ICS in expanding incidents.

Attendance all three days is mandatory – start time will be 0800 hours.

Registration: To register for this course please go to [VCSO Emergency Services ICS 300 Registration](#) and fill out the form. For questions on this training please call 805-654-2757 or email: rashad.rahman@ventura.org
